

It's Cool to Be Kind!

Write or draw about your kindness to others.
I am kind to people and animals when I...

What if you see a dog or cat in need? What if their ribs show and you know they're hungry? Or someone is being mean to them or abandoning them?
Or maybe you see a dog that is tied all of the time, lonely, sad and scared?
Stay safe and don't try to help on your own! Tell an adult you trust.
They can talk to the police or someone else to get help.
