

Love, Love, Love Your Pet!

Love, Love, Love Your Pets

(To the tune of "Row, Row, Row Your Boat")

Love, love, love your pets.
Love them every day.
Give them food and water, too.
Then let them run & play.

Love, love, love your pets.
Love them every day.
Train them well and they can tell
It's time to sit & stay.

Love, love, love your pets.
Love them every day.
Don't forget to see the vet
For a neuter or a spay.

Love, love, love your pets.
Love them every day.
A nice warm bed to lay their head
Will keep the cold away.

Love, love, love your pets.
Love them every day.
All life long, you'll keep the bond
They'll love YOU every day.

Another Way to Say "I Love You" and Keep Your Pet Safe

Say "I Love You" with identification (ID) tags on your pets' collars. ID tags can help your furry friends get home safe if they're lost. What goes on the tag? Your phone number, and pet's name.

Fill in the ID tag above.

Since collars and ID tags can fall off, have your veterinarian help you with another type of ID.

Fill in the missing letters on two more types of ID:

- 1) T TT _ _ on the inside of the ear
- 2) M C _ _ C H _ _ under the skin

Don't forget to check your pets' collars often. Make sure they're not too tight and won't choke your pet. Cats should wear a "breakaway" or "safety" collar in case they get caught on something.

Answers: tattoo, microchip
