

# A Quick and Handy Guide to Helping Cats and Dogs

**Happy, healthy animals are part of happy, healthy families and communities!**

- We educate the community about animal care, compassion and dog bite safety. We also help low income families with spaying and neutering their pets, pet food, pet shelters (dog/cat houses), and basic training.
- We don't have a shelter for unwanted pets. We don't deal with loose or dangerous dogs.
- We are a small organization run by a small group of caring volunteers. We check our email and messages at least once per week and will get back to you as soon as we can.

**If you need help with a dog or cat issue, don't wait. Here's how:**

**I NEED HELP WITH SPAYING AND NEUTERING MY PET**
